OUR *Story*

Where aesthetics meet functionality, and art finds its way in elevated everyday living.

Studio13 is a boutique design studio based out of The City of Joy.

Each collection at Studio13 begins with a story or an inspired journey from our everyday life and travels. From the Jungles of Sundarbans to the simplicity and beauty of our home garden after the rains.

Studio13 believes in gifting with love and functionality, making your daily lives a little prettier, also bringing a smile on your face in routine activities. **We are not just a brand; we're creating a modern Indian way of living, gifting, dining and looking at the world.**

WE'VE WORKED WITH SOME *incredible* BRANDS AND PEOPLE

AND MANY MORE...

READY TO *Gift*

Thoughtfully curated, beautifully packed and ready to give. From individual gifts to complete gift boxes, we take care of every detail and ship worldwide.
